Starting and running a business can be much easier than you might think. This is an opportunity to explore what's involved and see for yourself just how easy it can be to set up and run your own business.

If you have a business idea, a hobby you'd like to make money from, or are wondering if you've got what it takes, this event will help you. In the company of like minded women you will have a lot of fun and explore topics that include:

- What is an Entrepreneur?
- Why choose self employment?
- What are the skills and qualities of an entrepreneur, and have you got what it takes?
- Work-Life-Balance and your vision of your future.
- Business Plans. What are they and who are they for?
- You as your best marketing resource.

This flexible workshop will help answer questions and support you in exploring how being self employed might work for you.
